KUMRU: pale warm cream-beige. The yellow-beige undertone continues the golden warmth of Wild Earl in a lighter value, balances the slate-blue sofa, and links the timber desks with the burgundy curtains. Keep all walls and painted column returns continuous in this densely furnished 13.3 m² room.

Painted column faces continue the adjoining room colour; tile and glass retained. Near walls and ceilings omitted for visibility. Original layout unchanged.
Fixed model lighting; digital swatches are references. Check physical samples under your installed lamps. Living room: Jotun 1876 Wild Earl colour reference; RGB preview is approximate. Paint quantities depend on coating product. WC, bathrooms and balcony excluded.

KUMRU

CONTINUOUS ROOM COLOUR

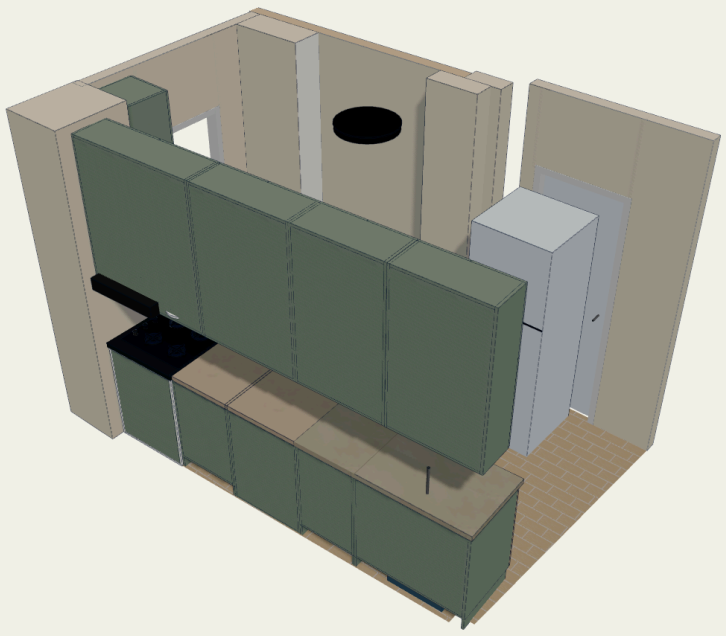

KUMRU: the same light warm cream-beige used in the smaller living room and corridor. It warms the blue bed and timber desk without adding a competing hue to 8.3 m². All painted walls and column faces stay the same colour; no cactus, dark end wall or contrasting stripe. A bedroom dryer remains a separate clearance study.

BEJ 30

#ebe1d8

CONTINUOUS ROOM COLOUR

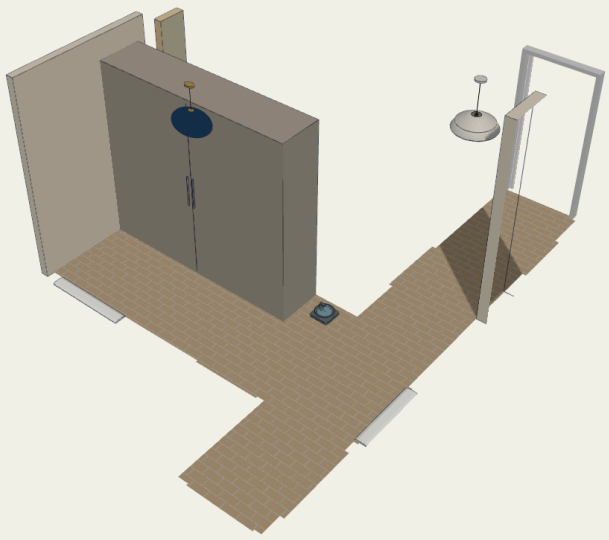

BEJ 30: a light peach-beige with a gentle red undertone. This is the softer clay note in the Wild Earl palette, picked up by the rust bedding and balanced by the green pillows; it warms the large taupe wardrobe without making the walls another dark mass. Use continuously on all painted walls and column faces in 11.4 m², with no separate accent.

Painted column faces continue the adjoining room colour; tile and glass retained. Near walls and ceilings omitted for visibility. Original layout unchanged.

KUMRU

CONTINUOUS ROOM COLOUR

KUMRU: continue the light warm cream-beige through the L-shaped corridor. It links the golden Wild Earl living room with the caramel floor and timber entry door, while keeping the narrow stretches lighter than the main salon. Reuse the same mix as the small living room, small bedroom and kitchen; no alternating wall colours.

JOTUN 1876 WILD EARL

#d4cbb9

CONTINUOUS ROOM COLOUR

Jotun 1876 Wild Earl is the fixed palette anchor: muted golden beige on all painted walls and exposed painted column faces in the 22 m² salon. The golden undertone links the burgundy seating, cream upholstery and timber shelving. Keep the room continuous rather than adding a grey accent; coordinate the remaining rooms with lighter cream-beige and soft clay-beige. Third-party digital approximation; not an official Jotun RGB specification or a verified Filli Boya equivalent.

Painted column faces continue the adjoining room colour; tile and glass retained. Near walls and ceilings omitted for visibility. Original layout unchanged.
